

## Farming Smarter says thank you with Pig Roast at AGM

Photo by Tim Kalinowski

Farming Smarter hosted a Pig Roast Dinner to celebrate the kick off to Ag Expo week in Lethbridge on Feb. 27 and to say thank you to its community partners, stakeholders and members.

The event also doubled as the organization's Annual General Meeting. During his address to members at the AGM, general manager Ken Coles shared the exciting news the group had secured grant funding for nine exciting, new research proposals, which should keep Farming Smarter busy and productive for the next four years at least.
