Farming Smarter Podcast: Ryan Mercer – Farmer led Research

Posted by [Craig](#) On January 25, 2020

[What makes farming smarter so important?](#)

[An intro to Farming Smarters Podcasts](#)

LETHBRIDGE (Farming Smarter) — Southern Alberta farmer Ryan Mercer, who sits on the Board of Directors for Farming Smarter talks with General Manager Ken Coles on farmer-led research.

They go in-depth on the practical knowledge that farmers can take back to their operation from Farming Smarter.
